- 5-year limited warranty—components
- Field-supplied heat kits available from 5kw to 20kw ranges
- Suitable for use with R22 and R410A refrigerants
- Electrical connections from top, left or right side

Control your energy bills year-round

Aire-Flo™ air handlers are designed to improve the efficiency of any air conditioner or heat pump. The direct-drive motor runs smoothly and efficiently. Matched with the appropriate heat pump or air conditioner, you can enjoy an efficiency of 13 SEER.

Improved comfort and improved air quality

Reliable direct-drive blower motors provide consistent control of air flow so you'll stay comfortable all year long.

Built to last

Rugged construction and durable materials – like pre-painted steel cabinets – provide years of trouble-free service. The high-quality parts carry a five-year limited warranty to provide extra peace of mind.

Easy to install and service

With a wide range of capacities and configurations available, Aire-Flo air handlers match almost any air conditioner and heat pump. Ask your dealer which model is right for you.

Overall Dimensions

| Model Number | Length (inches) | Width (inches) | Height (inches) |
|--------------|-----------------|----------------|-----------------|
| RBC18, 24 | 46-3/4 | 18-1/2 | 22 |
| RBC30, 36 | 51 | 21-1/4 | 22 |
| RBC42, 48 | 54 | 21-1/4 | 26 |
| RBC60 | 60 | 21-1/4 | 26 |

Due to our policy of continuous improvement, specifications are subject to change without notice.
