

# 4HP13

13 SEER Heat Pumps

Energy efficiency and exceptional heating and cooling performance backed by more than a half-century of proven reliability.

**Efficiency:**  
13 SEER; 7.7 HSPF

**Warranty:**  
5-year limited—compressor  
5-year limited—components

**Capacity:**  
1-1/2- to 5-ton

## Easy to install and service

- Permanently lubricated condenser fan motor needs no annual maintenance
- Designed with ease of service in mind featuring hinged control panel for simple access to internal components
- Angled service valves are positioned to allow easy access with low-loss fittings and are set for direct and straight line-set access to the home
- Compressors have fewer moving parts for dependable, quiet operation

## Built to last

- R-410A refrigerant
- The compressors are designed for reliable and efficient money-saving performance
- Factory-installed, bi-flow liquid line filter driers protect the compressors from contaminants
- The corrosion-resistant cabinet is built from strong, heavy-gauge prepainted steel and has drain holes to quickly remove standing water from the base pan before corrosion can start
- Every heat pump is tested for leaks and proper operation at the factory to ensure faultless performance
- Charged for 15 feet of line-set

# 4HP13 Heat Pumps

Designed for reliable quality and lasting value, these Aire-Flo™ heat pumps make the most of every energy dollar. The 13 SEER cooling and 7.7 HSPF heating efficiency ratings deliver maximum comfort along with significant operating cost savings year after year.

## 4HP13

- 13 SEER
- 7.7 HSPF
- 1½- to 5-ton nominal capacity
- Non-ozone depleting R-410A refrigerant meets the most stringent guidelines
- Quiet, durable compressor is safeguarded by internal pressure relief valves and inherent thermal protection
- High-quality outdoor coils use copper tubes with enhanced louvered fins for maximum heat transfer capability
- Equipped with field proven 30/60/90 adjustable time/temperature defrost control
- Naltex® Hail Guard™ protects coils from fin damage
- Vertical air discharge sends hot air up and away from home and shrubbery
- 5-year limited warranty on compressors and components
- All models ETL-, ETL- and AHRI-listed

## Unit Specifications

Model Number	Square Base (inches)	Height (inches)	Nominal Capacity (tons)	Sound Rating (dBA)
4HP13B18P-1A	30	33-3/4	1.5	77
4HP13B24P-1A	30	33-3/4	2.0	78
4HP13B30P-1A	30	37-3/4	2.5	78
4HP13B36P-1A	30	25-3/4	3.0	77
4HP13B42P-1A	30	25-3/4	3.5	77
4HP13B48P-1A	30	37-3/4	4.0	79
4HP13B60P-1A	30	41-3/4	5.0	79

Due to our policy of continuous improvement, specifications are subject to change without notice.
