

# 4AC13

13 SEER Air Conditioners

Energy efficiency and exceptional cooling performance backed by more than a half-century of proven reliability.

**Efficiency:**

13 SEER

**Warranty:**

5-year limited—compressor  
5-year limited—components

**Capacity:**

1-1/2- to 5-ton cooling

# 4AC13 Air Conditioners

- R-410A refrigerant
- Permanently lubricated condenser fan motor needs no annual maintenance
- Designed with ease of service in mind featuring hinged control panel for simple access to internal components
- Angled service valves are positioned to allow easy access with low-loss fittings and are set for direct and straight line-set access to the home
- Reliable compressors have fewer moving parts for dependable, quiet operation
- All models ETL-, ETL- and AHRI-listed
- Charged for 15 feet of line-set

### Save energy, save money

Our air conditioners have a 13 SEER rating to provide exceptional cooling performance. They are designed to help you use significantly less energy than units installed as recently as five years ago.

### Make yourself comfortable

Aire-Flo™ air conditioners quietly cool your home for the ultimate comfort. Reliable compressors have fewer moving parts for dependable, quiet operation, while the precision-balanced direct drive fan sends hot air and noise up and away from your home. The cabinet easily blends with most architecture and landscaping.

### Built to last

Compressors are designed for reliable and efficient money-saving performance and factory-installed liquid line filter driers protect them from contaminants. The corrosion-resistant cabinet is built from strong, heavy-gauge prepainted steel and has drain holes to quickly remove standing water from the base pan before corrosion can start. Non-ozone depleting R-410A refrigerant meets the most stringent guidelines.

### Rugged and reliable

Every Aire-Flo 4AC13 unit is tested for leaks and proper operation at the factory to ensure faultless performance when you get it home. Each unit is backed with a 5-year limited parts warranty and a 5-year limited compressor warranty.

### Overall Dimensions

Model Number	Square Base (inches)	Height (inches)	SEER	Nominal Capacity (tons)	Sound Rating (dBA)
4AC13B18P-1A	22-1/2	25-3/4	13	1.5	76
4AC13B24P-1A	22-1/2	29-3/4	13	2.0	76
4AC13B30P-1A	30	29-3/4	13	2.5	78
4AC13B36P-1A	30	33-3/4	13	3.0	76
4AC13B42P-1A	30	37-3/4	13	3.5	78
4AC13B48P-1A	30	29-3/4	13	4.0	80
4AC13B60P-1A	30	33-3/4	13	5.0	80
