HEATING

CG80

Mid-Efficiency Gas Furnace

Energy Efficiency

- 80% AFUE
Annual Fuel Utilization Efficiency (AFUE) represents how efficiently a furnace converts fuel to energy. The higher the AFUE percentage, the more energy-efficient the furnace.

Capacity

- 50,000 – 125,000 Btuh heating size range

Home Comfort

- Multi-speed blower motor takes your comfort to the next level—comfortably and efficiently

Reliable Performance

- Corrosion-resistant cabinet made with strong, heavy-gauge pre-painted steel is built to last
- Tested for proper operation at the factory to ensure faultless performance

Indoor Air Quality

- Designed with built-in electronic air cleaner and humidifier connections for easy integration of accessories to improve your home's indoor air quality

Warranty

- 20-year limited warranty on aluminized steel heat exchanger; 5-year limited warranty on parts. See warranty certificate for details on an available 10-year extended parts warranty.

Enjoy exceptional value and greater comfort

When the weather outdoors turns cold, your family deserves an indoor environment that stays perfectly warm every single day. That's why we engineered the CG80 gas furnace with robust components that are built to last. The aluminized-steel heat exchanger—the part of the furnace that moves heat produced by the furnace into your household air—resists corrosion with crimped seams that ensure a leak-free seal. And, the hot-surface ignition system provides dependable heat when you need it.

Designed with money-saving efficiency built in

With an 80% AFUE efficiency rating, the CG80 will help keep your utility bills under control. A multi-speed blower motor allows the airflow to be set to meet your specific home comfort needs. As a result, energy consumption is lower than that of an older, less-efficient furnace. With the CG80, you can rely on great value and performance year after year.

Overall Dimensions

Model Number	Depth (inches)	Width (inches)	Height (inches)
CG80TB050D12AL	28-1/2	14-1/2	40
CG80TB075D12AL	28-1/2	14-1/2	40
